

## Application and Agreement

The Queen's Heart Safe Program is a collaboration between Queen of the Valley Medical Center and The Via Foundation in an effort to provide automated external defibrillators (AEDs) and CPR training to all businesses, organizations, and schools in Napa County.

By becoming a Queen's Heart Safe Partner you will receive discounted rates on AEDs and be eligible for on-going maintenance services designed to keep your AED ready for use at any time and compliant with the state requirements.

### **Ten simple steps to become a Heart Safe Place:**

1. Complete and submit the application and agreement either by e-mail or fax.
2. Upon approval, Via staff will help you determine the correct number of AEDs and suggest locations in your facility.
3. You will receive a wall cabinet and are responsible for installation in one of the suggested locations.
4. Book your training class by calling 800-264-0125. Training for staff on CPR and AED skills is required prior to delivery of the AED.
5. Appoint a Site Contact. This person will receive a monthly e-mail and be responsible for the monthly readiness check.
6. Your AED(s) will be delivered. Place into wall cabinet and alert staff.
7. We will provide you with policy and procedure documents for your facility. Make any necessary adjustments and keep on-site.
8. The Heart Safe Program will register your AED(s) with the County Emergency Medical Systems (EMS)
9. The Site Contact will receive the first monthly e-mail and perform the first readiness check.
10. We will provide you with a sign to put on your front entrance, designating you as a Heart Safe Place!

## Agreement

Upon joining the Heart Safe Program, your agency agrees as follows:

By submission of this agreement, your agency affirms it will comply with all requirements of California Health and Safety Code 1797.196 either by joining the maintenance program or maintaining compliance independently.

The agency and its agents and employees waive any and all claims they may have at any time against the Queen of the Valley Medical Center and The Via Foundation and their agents and employees to any civil damages resulting from or connected to this program, including but not limited to, the requirements of California Health and Safety Code section 1797.196, the use, misuse, malfunction, installation, operation, or maintenance of AEDs, or in the training to or rendering emergency care using AEDs (collectively "Claims"), excluding those Claims resulting from the gross negligence or willful or wanton misconduct of the Queen of the Valley Medical Center or The Via Foundation.

In the event of a Claim against Queen of the Valley Medical Center or The Via Foundation (and its agents and employees) not resulting from gross negligence or willful or wanton misconduct of Queen of the Valley Hospital or The Via Foundation, the agency will defend and indemnify both Queen of the Valley Medical Center and The Via Foundation from all damages (of whatever kind or nature) and defense costs (including attorney's fees and experts fees) incurred by it.

In any dispute arising out of or connected with this application and agreement, the prevailing party will be entitled to reimbursement of its attorney's fees and costs incurred.

The person signing below is authorized to act on behalf of the agency and to bind this agreement.
